As I've danced my way through life
There are lessons that I know
As I've gone through toil and strife
This is what I can show:

(Dolores) Be a peace maker
(Cecil) Buy low sell high
(Joyce & Lee) Have faith, honor father and mother
(Ed) Put your funeral on your credit card
(Barb) And bring warm clothes!

(Loey) Don't forget to smile
(Dorothy) Have patience
(Maythel) Don't complain, all the time
(Agnes) Love your neighbors and your friends
(Arlene) Remember the "Golden Rule"!

(Marynetta) Laugh and the world
Laughs with you
(Tony) Cry
And you cry alone
(Ed) Rise up early and watch the sun rise
(Dolores) Turn off your machines and listen to the birds!

(Barb) Go to bed feeling happy
Never go there, feeling mad
(Arlene) Win the lottery, spend it wisely
(Cecil) And you'll be glad!
