The Red Hat Club of Oak Meadows Senior Living in Oakdale hosted the Town Chime Choir of Stillwater Good Samaritan. The Chime Choir was formed a little over a year ago with residents of the nursing home. They meet once a week and have just begun performing in public. They recently played their chimes at Maplewood Mall. Their trip to Oak Meadows was their third outing. Over 70 people from Oak Meadows enjoyed their music. The Red Hatters served cake and coffee afterwards.
